The best possible you, made possible in the UK

Are you preparing to study in the UK, or just interested in learning more about UK higher education? Then this free online course is for you.

Hosted on the FutureLearn website, this four-week online course will teach you everything you need to know about UK higher education, including teaching methods, course structures and how coursework will be assessed.

It will also provide you with tips for studying in the English language and practical information about living in the UK.

By completing the course, you will be more confident, feel better prepared, and ready to get the most from your experience of studying and living in the UK.

During the course, there will also be plenty of opportunities for you to interact with other, like-minded individuals who are preparing for their UK education. Who knows, you may even start making friends before you arrive in the UK.

The course is free and takes only four weeks to complete, although you can complete it faster if you wish. Upon successful completion, you will receive a digital certificate.

This online course is provided twice a year. You can see the next available dates on the registration page and once registered, you will receive a notification when the next course starts.
